

# P.Shiksha 4.0

## IIT JEE COURSE

# Welcome to our class!

Let's have fun exploring the session

# What is IIT JEE?

- Join Entrance exam is the way to get yourself a seat in one of the prestigious engineering colleges in India.
- JEE is conducted in two phases i.e. Mains and Advanced. Those students who qualify Mains are eligible for admissions in NIT, IIIT and other top colleges of engineering. The JEE Main qualified students also need to give the Advanced exam and the Advanced qualified students can then get admission in the IITs.

# Our Course

01. **To get good grasp and understanding of concepts**  
You will learn everything from basic to advance concepts of your subjects
